

Make a big impact with Avalon’s large-format substrate printing services. From sleek signage to eye-catching displays, our experts bring your ideas to life with stunning clarity and durability.

Our state-of-the-art UV substrate printers produce vibrant, crisp graphics on materials up to 1-inch thick and rolled materials up to 63 inches wide. We can print on a wide range of materials beyond standard paper – including plastics, metals, wood, and textiles.

Our large-format substrate printing options include:

- Indoor/outdoor vinyl banners and signage
- Window, wall, and floor graphics
- Event & sponsorship signage
- Pop-up signs
- Exhibit displays
- Trade show booth graphics
- Large volume stickers, labels, and magnets
- Custom cutting

Why Avalon?

With years of experience and a passion for precision, we deliver creative, cost-effective solutions that elevate your brand presence and leave a lasting impression.

- **High-resolution, full-color output** – We use vivid UV-cured inks that resist fading, moisture, and wear.
- **Multi-surface printing** – Our experts can print on wood, acrylic, metal, plastic, foam board, corrugated materials, and more.
- **Precision technology** – Our advanced flatbed and roll-to-roll printers ensure perfect detail every time.
- **Fast turnaround** – We streamline production to meet tight deadlines without compromising quality.
- **Scalable solutions** – From one-off prototypes to high-volume production, we’ve got you covered.
